**Subject:** Here is a copy of the landfill report which has the attachment supplied on the amount of loads disposed of wet cake.  
**Attachments:** butlercountylandfill report.pdf

Just an FYI. Our inspector told me that Butler County stated to him they have had to slow down some of the loads coming in due to making sure they had other loads of waste to mix in due to the slimy/slippery consistency and equipment movement.

The paperwork for the loads are the last attachment (starts on page 75 of the report)
